Mr. Joey Hundert ON
Energy and Entrepreneurship in Alberta

Joey Hundert is an Edmonton-based entrepreneur who has gained experience ranging from grassroots to multi-national business in areas ranging from tidal power to bioenergy to permaculture to alternative building.

Joey Hundert will present on his experience with energy and entrepreneurship in Alberta. This presentation will go through successes, failures and what it means to be an entrepreneur in the sustainable industries.

Previously Joey presented at an Energy Club panel discussion on the same topic, and he captivated the audience with his energy and even offered someone a job interview mid-presentation.
